ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Michigan City Housing Authority has developed its 2003 Agency Plan in collaboration with its Board, Staff, Resident Advisory Board, Local Government and Community Leaders.

The plan enhances a major goal, i.e. "Promote self-sufficiency and asset development of assisted households by implementing HUD's approval for 25 slots for the Family Self-Sufficiency Program for Section 8 Families. Notification for approval of FSS Coordinator received 10/23/03.

The Authority is also requesting approval to continue to complete the majority of its Capital Funds projects as General Contractor using forced account labor, which includes residents. All mechanical work will continue to be performed by licensed contractors as required per the local code.

The Agency implemented the Section 8 Housing Choice Voucher Program in January 2002. This program was formed in collaboration with Horizon Bank and Fannie Mae. To date 4 families have purchased homes. We expect to create more affordable homeownership opportunities for eligible Section 8 families. To help us achieve this goal we have partnered with

Housing Opportunity who will provide homebuyer education for our families. Furtherance of homeownership will be accomplished by exploring and implementing HUD's Section 32 Homeownership Program.

This agency, its Board of Commissioners, staff, and local government are committed to improving the quality of life for low income families in our community and we have designed our plan to carry out that commitment. Improving customer satisfaction is a major aspect of this commitment.
